Promoting S-Gauge Model Railroading in Southwest Pennsylvania

3451 MacArthur Drive • Murrysville, PA • 15668

www.psgtrains.org

Dear Fellow S-Gauger,

Thanks for your interest in the Pittsburgh S-Gaugers (PSG). The PSG is comprised of model railroaders who share an interest in all things "S"! PSG is a 501(c)(3) Pennsylvania non-profit corporation.

The stated purposes of the organization are:

A. To promote and advance, through education, the hobby of standard, narrow and wide gauge model railroading in S-Gauge, 3/16" scale (1:64 ratio) in the areas of scale and hi-rail.

B. To educate its members and the general public about S-Gauge model railroading and to disseminate information regarding the manufacture; history; collecting, operating and modeling of S-Gauge trains and layouts; and about the mechanisms of S-Gauge trains and related items and the repair thereof.

Membership dues supplement the money received in honorariums from the display of our layouts at local and regional model railroad shows and are used to maintain and improve our display layouts and to provide partial payment for the costs of utilities and security at any location where the layouts are stored. Membership dues are NOT tax-deductible, however additional financial or in-kind contributions to the PSG ARE tax-deductible.

*The information you provide on this application is strictly used only for PSG membership purposes and is never shared.*
